

BRICKYARD BULLETIN

VOL. 48, ISSUE 3, A MONTHLY PUBLICATION OF THE INDY CHAPTER OF THE STUDEBAKER DRIVERS CLUB, MARCH, 2021

It was good to see everyone who came out for the February Indy Chapter lunch at Bubba's 33. A little mix up between managers caused a delay getting us seated but in the end gained us free appetizers!

The announcement that the May Swap Meet in South Bend has been canceled for this year was disappointing news as many of us were planning to attend. This was going to be a great place for us to promote the International Meet in person. Instead we will have to rely on the SDC web site, the SDC Forum, Turning Wheels Magazine, and social media. We will also have our event put in some national publications, pass out flyers at local shows and try to keep information coming out and current in regards to the meet on the internet site. Registration is now available on line at sdcmeet.com which takes you right to the International Meet site, registration form, tours and activities, and hotel information. Early registration is going on thru March 31, 2021 and saves you \$10 on registering for the meet! We have two buildings almost sold out with swap meet vendors and hotel rooms are filling up fast! We are also looking for donations for the registration packet and goody bag. If you know a business that might like to give us pens, notepads, coupons, or any of the little advertising things you find in these goody bags it would be great. The Mansfield meet two years ago had 556 registered for the meet and I would like to think we will have that kind of turn out also, maybe more because people are ready to get out and visit friends and show off their cars!

Sunday March 14, is our next club meeting and Joe would like to have International Meet Chairpersons get to the meeting at 12:30 to go over progress and updates on the committees. Hope to see everyone soon!

Nancy Bacon
Indy Chapter President

Indy Studebaker Meeting Sunday, February 21 at Bubbas 33

President, Nancy Bacon opened the meeting with an apology for a little snafu when we got there (not her fault). We got free appetizers, so all was well!

She also thanked all who came. We had 12 members and 3 guests (Eric, Samantha and Adelaide Watson – Foxes daughter and her family)

V.P. – Nothing to report until the National report below.

SEC. – Minutes were in the newsletter

TREAS. – Current balance is \$6,080.50 in the “Meet” account.

ACTIVITIES – March 14 is the pitch-in in Wanamaker, hosted by the Kennedy's.

The South Bend meet, in May, has been cancelled. It was scheduled for May 4-7, 2022.

2021 NATIONAL REPORT:

Danny Taylor has the **buses** scheduled for 8 hours a day. We are touring the **Veteran's Memorial** on Thursday and the **Benjamin Harrison Home** on Friday. All of the meetings are scheduled. We want to go to **Ray Skillman's** collection, but that hasn't been finalized yet. The night of the **Ice Cream Social** we will have a 30 piece brass band. The Studebaker Band will play, at times, throughout the meet.

Diane Elmore (Chairman of Registration) sent a report regarding information that Cornerstone has sent us. So far we have 20 registrations with 41 people attending. **Joe Bacon** stated that the hotels are almost full, so most people are making their hotel reservations before they actually send in reservations for the meet.

Monday, Sept. 6 (which is Labor Day), the Cornerstone staff will be in Indy and bring materials to stuff in our registration packets. Items WE need to provide are: pocket agenda, meet book, local area info and small gifts...i.e.: pens, pencils, note pads, candy, etc. **We need: volunteers** to be part of the Packet Stuffing Team. Shouldn't take more than 2 hours. Finalize our event and tour information. Establish who will produce the pocket agenda and meet book and locate and acquire the small gifts for registration packets. If anyone knows of a small business that might be agreeable to donate some freebies, would you volunteer to approach that business?

We are selling t-shirts and were approached about possibly cups. **Studebaker Int'l** has volunteered to be a vendor for the cups and t-shirts that are not pre-ordered.

The Hospitality Room needs to be stocked with pre-packaged snacks.

Joe would like committee members to arrive 1/2 hour early to the March get-together for a short meeting regarding the National.

Adjourned at 2.03 p.m.

From the:

The 2021 South Bend swap meet event has been cancelled.

Hello, all;

Sad news: Ann Turner has informed me that Randy Rundle succumbed to pancreatic cancer on February 1.

Randy was such a nice guy; **six-volt cars and trucks never had a better friend.**

For Your Information

Hi Everyone:

56J owner Paul Revell has about 140 cars - almost all Studebakers - that he would like to sell or part out at reasonable prices. I created a web page for him on my Studebaker Vendors web site. I know many of you have enough cars, but if you are curious, take a look by clicking on the link below:

"Spring Forward"

People have strong feelings about Daylight Saving Time...they either love it or hate it. In Indiana, we have 8 months of DST as opposed to only 4 months of Standard Time. But whether you are for or against this time revolution, it has a very long and interesting history.

During WWI, Germany was the first to adopt DST. Their officials believed the extra daylight hour would help save precious fuel, which was needed to produce weapons and bombs. Seeing some validity to this thinking, soon Britain and America also adopted the custom. However, the idea proved to be very unpopular (especially with American dairy farmers) and once the war ended, U.S. lawmakers stopped the clock manipulation.

DAYLIGHT SAVING TIME SOME INTERESTING FACTS

- It's Daylight Saving Time not "savings" time.
- Ben Franklin did not invent it. Though in 1774 he did suggest getting people up earlier as a way to save money on candles.
- First implemented in 1909 during WWI as a way to save energy for war production. It was also referred to as "war time".
- Hawaii and Arizona (except for the Navajo Nation) do not observe it.
- It's used in over 70 countries around the world though dates and times vary.

During WWII, President Franklin D. Roosevelt's "War Time" bill reinstated DST in 1942. But after the war ended, "War Time" was revoked on September 2, 1945. However, cities and towns were allowed to continue the tradition and even select their own DST start and stop dates.

The lack of consistency resulted in a "chaos of clocks" in 1963. The Uniform Time Act of 1966 resolved the issue by setting specific start and end dates to be followed countrywide. In the beginning DST started on the last Sunday in April and ended on the final Sunday in October. Over the years, these start and stop dates have evolved and in 2005, our current schedule was approved by Congress. Now DST starts on the second Sunday in March and ends the first Sunday in November.

Though DST has been a fixture on the American calendar for decades, many Americans still do not like the idea of changing our clocks. The anti-DST folks point to sleep deprivation that leads to a loss in productivity and more traffic and workplace accidents. The twice-a-year change has also been linked to health issues.

However businesses, sporting events, golf courses, and restaurants assert that the longer evenings encourage consumers to leave their homes and spend money. This sentiment seems to be shared by U.S. lawmakers, who have rejected many petitions to get rid of DST. So, it looks like Daylight Saving Time is here to stay!

Happy "Spring Forward"

Upcoming Events

Sunday, March 14 at 1:00 p.m. – Larry and Sue Kennedy are hosting a joint Winter Meet with the Indy Chapter of the Studebaker Drivers Club and the Southern Indiana/Kentucky Chapter of the Hudson Club.

This meet will be held at the Franklin Township Civic League, **8822 Southeastern Avenue, Indianapolis, IN 46239** (located two houses beyond the Ordinary in downtown Wanamaker). The Kennedy's will provide a meat dish, water, coffee and iced tea. Bring your place settings and a dish or dessert to share. **Sanitizer and gloves will be available. Masks will be required while at the food tables.**

This facility is handicapped accessible and has a handicap restroom, but no kitchen facilities. There are lots of electrical outlets for crockpots and plenty of parking spaces. **With the club sponsoring Studebaker International this year it was decided NOT to have an auction.** If you have questions, contact Larry Kennedy at 317-862-2020.

SDC International Meet committee members should arrive at 12:30 for a quick meeting.

Mark Your Calendar:

Friday, May 28th and Saturday, May 29th, 2021 – Nashville, IN, - The annual Studebaker Nationals and Orphan Car Drags held in Bean Blossom Indiana. This is getting more popular each year. All performance and skill levels welcome.
